## **RETURNS**

SSO offers a full refund on unopened products returned to SSO within 14 calendar days of the date of their delivery to the consumer. Any attempts to reseal, dilute and/or refill bottles in any way

voids this offer of refund. All product returns require a Return Material Authorization (“RMA”) number, which must be written on the outside of the return package or it will be refused. You may obtain an RMA number by contacting SSO, by email. "Return" constitutes receipt of the product by SSO, and not the mere issuance of an RMA. SSO is not liable for products that are lost or damaged during return shipping to SSO's facility. SSO reserves the right to refuse any return.

## **DOMESTIC USE – EXPORT RESTRICTION**

We control our website from our offices within the United States of America. We make no representation that the Services, the website or their contents (including, without limitation, any products or services available on or through the Services) are appropriate or available for use in other locations. Users who access the Services from outside the United States of America do so on their own initiative and must bear all responsibility for compliance with local laws, if applicable. ## **INTERNATIONAL ORDERS**

By confirming your order for shipment outside the United States, you agree to the additional terms contained in this section.

All international orders are eligible for return for 45 days from the date of your order. You may only return an unopened item. If any package containing such unopened item is returned to us because of an incorrect address, because you refuse the package, or for any other reason other than solely because of our error, you will be responsible for our shipping cost for the return and reshipment of the package. If the cost to return the package to us exceeds the cost of the goods ordered, or if you have ordered products that we are informed cannot be imported into the country of intended delivery, we may instruct the shipping company to abandon the package, but even if we do so, you will remain responsible for payment.

Additionally, you are considered the importer of record for all shipments from us, and must comply with all laws and regulations of the country of destination and all laws and regulations the United States imposed on exports to that country. You agree to pay any fees, fines, or other costs charged to us or to you in connection with any non-compliance with laws and regulations of the country of destination.

If we decide to allow a return of an unopened item that has been rejected because of import or other legal compliance issues, we will refund the purchase price of the merchandise, less any charges we incurred in connection with the shipment, such as quarantine fees, exam fees, demurrage charges, or warehousing fees assessed in the destination country or in the United States upon return of the goods, and less the shipping costs to return the package to us. Supply of goods, services and software through the Services is subject to United States export control and economic sanctions requirements. By acquiring any such items through the Services, you represent and warrant that your acquisition comports with and your use of the item will comport with those requirements. Without limiting the foregoing, you may not acquire goods, services or software through the Services if: 1) you are in, under the control of, or a national or resident of Cuba, Iran, North Korea, Sudan or Syria or if you are on the U.S. Treasury Department's Specially Designated Nationals List or the U.S. Commerce Department's Denied Persons List, Unverified List or Entity List or 2) you intend to supply the acquired goods, services or software to Cuba, Iran, North Korea, Sudan or Syria (or a national or resident of one of these countries) or to a person on the Specially Designated Nationals List, Denied Persons List, Unverified List or Entity List.
